

User Manual  
Product: Digital Cookbook  
Team: “Too many cooks”  
Date: November 29, 2019

Guide:

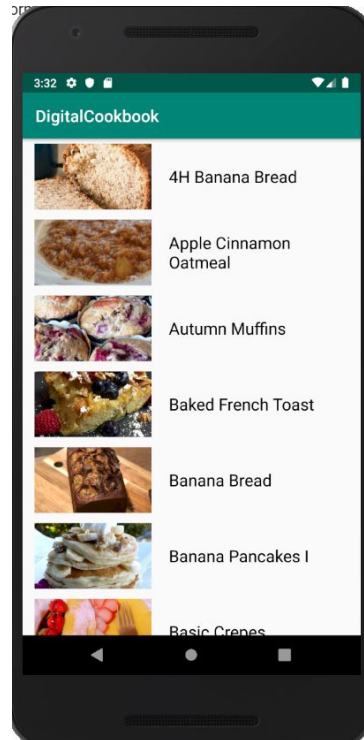

Main Activity-

- This is the main menu that you will see when opening the application. Select any of these categories in order to go to a list with all the recipes in that category.

### Recipe List View:

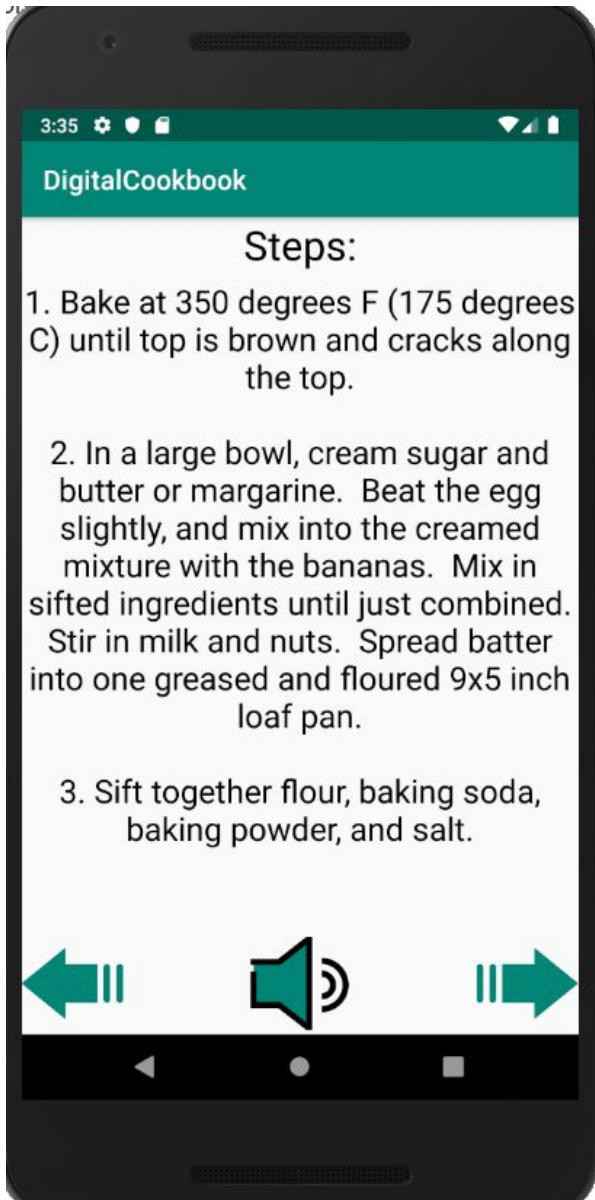

- In this view, all the recipes in the category you selected are displayed with images.
- You can scroll through this list to see all of the recipes
- Click on any recipe to go to the actual Recipe View.

### Recipe View (Front)

- This is what is shown when you click on the “4H Banana Bread” recipe in the Recipe List.
- As you can see, an image of the food you requested and the ingredients needed are displayed.
- Tap on the screen to toggle between the Recipe View (Front) and the Recipe View (Back)
- In the top left, tap the empty star in order to add the food to your “favorites” list.
- On the menu in the top right, tap the three dots to access the favorites menu

### Recipe View (Back)

- Here the instructions for cooking the food you selected are listed.
- Text to Speech Controls:
  - Tap on the speaker icon in order to begin the text to speech
  - Once the Text to Speech has started, tap the Speaker again to repeat the current step
  - Tap the Forward Arrow in order to go to the next step
    - Using the phone's built in Accelerometer, Tap the Phone during Text to Speech to move on to the next step as well.
  - Tap the Back Arrow in order to go to the previous step
- Tap the screen once again to return to the Recipe View (Front)

Favorites:

- This tab lists all the recipes that the user has marked as their favorite.
- The user can scroll through all of these added recipes
- Press the back button to return to the activity you were accessing before.
